Welcome

Welcome to another exciting Year of sport and co-curricular at The Hutchins School. The Hutchins School provides students with the opportunity to find their passion throughout a wide range of sport and co-curricular activities.

With over 25 co-curricular options for Middle and Senior School students, the program continually strives to cater for a range of individual student interests, skill levels and experiences. Activities are scaffolded to allow for students to develop, progress and excel in a safe and supportive environment.

In accordance with the School Rules, sport is compulsory for all students from Years 5–12. Students in the Middle and Senior School are required to choose a Summer Sport (Term 1) and a Winter Sport (Terms 2 and 3). Students in Years 7–8 must also choose a Spring Sport (Term 4).

Participation in the co-curricular program at Hutchins plays a vital role in developing men of character who act with kindness, respect, humility and courage.

The co-curricular program also enables students to:

- have fun;
- represent the School as an individual or as a member of a team;
- experience a variety of activities;
- gain an insight into their abilities in other activities, outside the classroom curriculum;
- gain new friendships;
- experience pride in their school;
- bring the benefits of co-curricular success into their classroom learning;
- experience the concept of winning and losing;
- take on leadership roles;
- take on the pastoral care of younger students in coaching;
- foster the relationship between staff and students;
- give to the School community, the benefits of their skill;
- develop lifelong recreational skills;
- develop a tolerance of others;
- foster a healthy lifestyle;
- experience the educational parameters of coaching, including but not limited to fair play;
- exhibit sportsmanship;
- further develop fine motor skills;
- show courage on the sports field;
- gain an insight into their character;
- gain an understanding and appreciation of game skills and strategies; and
- strive for excellence.

Included in this document are the co-curricular options for 2026 with a brief overview of Terms 2–3 choices. If you have any questions regarding these selections, please do not hesitate to contact the Teacher-in-Charge of an activity or your respective co-ordinator.

Thank you for your continued support of The Hutchins School and we look forward to working with all students and families over the course of the year.
