The Hutchins School will not provide students with any false or misleading information or advice as prescribed in National Code Part D, Standard 1 [1.2].

The Hutchins School will inform students of the modes of study through which the course may be offered as per the course marketing material. Any changes will be advised in writing to students and signed off by students or parents.

Any arrangements The Hutchins School has entered into or may enter into in the future with another provider will also include the School's full legal entity and CRICOS code.

The Hutchins School will not enrol a student from another institution within six months of their principal course, or courses taken before their principal course in a package of courses, unless the conditions contained in the School's Standard 7 'Transfer Between Registered Providers policy' and procedure are adhered to and there is no breach to Standard 7 of the National Code.

All Letters of Release or Student Offers received or provided will be kept on the student file for audit purposes including any refusals.

As documented in the School's procedure, there is a process for reviewing and approving changes to marketing material. All marketing material and policies will have version control.

Before enrolling students wishing to transfer from another provider, The Hutchins School will check PRISMS records and take all reasonable steps to ascertain if a student is already enrolled with another provider. The Hutchins School is aware that in most cases PRISMS will provide a warning for students already enrolled in another Institution.

The Hutchins School or its agents will not engage in the recruitment/poaching of students enrolled with other providers. Education Agents are monitored as per our 'Education Agents Policy' and procedure.

Procedure:

The Marketing and Media Relations Manager will review/approve and sign off on any changes to website or marketing material to ensure and check whether it should display the CRICOS number in order to be CRICOS compliant as per Standard 1 of the National Code. All documentation will include version control.

Staff will receive notice of any changes required to electronic email signatures etc. from the Director of Information Services.

If they are unsure about any CRICOS related issues, check first with the Enrolments Assistant.

No unauthorised changes to marketing material as prescribed in Standard 1 of the National Code can be made as this could put CRICOS registration at risk.

No students from another provider can be enrolled unless Standard 7 of the National Code has been followed, refer to 'Student Transfer Request Policy' and procedure.

PRISMS must be checked thoroughly by the enrolling officer to ensure any incoming students are not already enrolled with another provider. All concerns are to be reported immediately to the Enrolments Assistant. All evidence (including Letters of Release) are to be kept on student files.

PRIOR to The Hutchins School entering into a new arrangement with another provider CRICOS approval is to be sought via the appropriate form with the designated authority.

No member of staff/agent is to engage in the recruitment/poaching of students from other providers. Students enrolled from other providers will be asked why they seek a transfer to The Hutchins School and how they found out about The Hutchins School. Any inference of poaching will be fully investigated by the Director of International Enrolments (ABSI) and appropriate action taken.

Any concerns about The Hutchins School's Education Agents are to be dealt with as per the School's 'Education Agents Policy' and procedure.

Samples of course marketing material are available on The Hutchins School website. The Hutchins School has co-operative agreements with St Michael's Collegiate School and Fahan School which can be viewed at <http://www.hutchins.tas.edu.au/assets/CooperatingSchoolsAgreement.pdf>.
