Week 1

Date:	Excursion:	Location:	Transport:	Excursion Times:	Send lunch?	Treat \$3.00	Kids	Staff
September 30, 2019	<b>Inflatable World!</b>	Bellerive	bus	9:30am to 2:00pm	✓	✓	50	6
So not only is the world not inflatable, it might not even be <u>real</u> . It's entirely possible that our entire existence occurs within a digital simulation. After all, how are we to know? This all ties in with the nature of consciousness, quantum physics, and philosophy. The problem? It's a theory that is essentially impossible to prove or disprove. Even if you can detect THIS simulation, whose to say it isn't nested within another one? You get the idea.								<a href="#">sign here to book</a>
October 01, 2019	<b>Village Cinemas: 'Abominable'</b>	Eastlands	bus	10:00am to 3:00pm	✓	✗	50	6
Abominable'. Say that 10 times really fast and it loses all meaning. The word itself stems from the Latin 'abominari', meaning "to deplore or detest (as an evil omen)". What that has to do with a fluffy snowman from the Himalayas, I honestly don't know. This movie is about a little girl who stumbles across a Yeti in Shanghai and needs to return him safely home to the mountains. Wholesome Disneyesque moral lessons ensue, with not a skerrick of an evil omen in sight.								<a href="#">sign here to book</a>
October 02, 2019	<b>Barilla Mini-Golf</b>	Cambridge	bus	9:30am to 2:00pm	✓	✗	50	6
Don't be confused by the name. This is actually full-sized golf, we're just taking a bunch of really mini people.								<a href="#">sign here to book</a>
October 03, 2019	<b>The Pancake Train &amp; Dru Point Playground</b>	Margate	bus	10:30am to 3:00pm	✓	✗	50	6
I heard recently that we're becoming so fat as a nation that they want to start weighing kids in school. We reject that notion, slather it in maple syrup and put icecream on top... but then, we're not experts, so we're going to head down to the park, too, sobbing uncontrollably while we run off the calories and shame... just to be on the safe side.								<a href="#">sign here to book</a>
October 04, 2019	<b>Plaster Maniacs!</b>	Hutchins	n/a	10:00am to 2:00pm	✓	✗	40	5
The word 'maniac' comes from the Greek 'maniakos', which means 'madness' or 'frenzy', and implies "extremely violent behaviour". There'll be none of that, thank you very much, but we'll certainly have fun with the plaster.								<a href="#">sign here to book</a>

Week 2

Date:	Excursion:	Location:	Transport:	Excursion Times:	Send lunch?	Treat \$3.00	Kids	Staff
October 07, 2019	<b>Bellerive Park &amp; BBQ</b>	Bellerive	bus	10:30am to 2:30pm	✗	✗	50	6
Fair warning: the seagulls at Bellerive Park are brutal. I kid you not, I was standing there with a slice of pizza in my hand (leftovers, of course - the best kind of pizza) and one flew down and took the whole thing. If I wasn't so impressed I'd have been super grumpy. That was my lunch! Thankfully, there are limits to even a seagull's strength - even our smallest children are far too heavy to be whisked away. Rest easy.								<a href="#">sign here to book</a>
October 08, 2019	<b>Woody's Skate &amp; Play</b>	Glenorchy	bus	10:30am to 2:30pm	✓	✗	50	6
How much wood would a woodchuck chuck if a woodchuck could chuck wood? A woodchuck would chuck no amount of wood, since a woodchuck can't chuck wood. But if a woodchuck could chuck and would chuck some amount of wood, what amount of wood would a woodchuck chuck? Even if a woodchuck could chuck wood and even if a woodchuck would chuck wood, should a woodchuck chuck wood? Asking the big moral questions since 1981.								<a href="#">sign here to book</a>
October 09, 2019	<b>Richmond Trip &amp; The Lolly Shop</b>	Richmond	bus	9:30am to 3:00pm	✓	✓	50	6
RICHMOND!!! (It sounds better if you say it like 'SPACESHIP!!!'). We're going because it has ducks and lollies, and we like both of those things.								<a href="#">sign here to book</a>
October 10, 2019	<b>Zone Bowling</b>	Glenorchy	bus	10:30am to 1:30pm	✓	✗	50	6
Are you in the Zone? We weren't, last holidays. Seriously, it was awful. By way of an apology, Zone have promised to make this the most awesome bowling experience we've ever had, and you'd better believe we're going to hold them to that.								<a href="#">sign here to book</a>
October 11, 2019	<b>Long Beach Park &amp; Hot Chips</b>	Sandy Bay	bus	10:30am to 2:00pm	✗	✗	40	5
We've called this 'Sandy Bay Boat Park' for years, despite the fact that there isn't a boat there anymore. I guess that means we're old people now.								<a href="#">sign here to book</a>

## What do I need to send with my kids?

Good question! We do a whole variety of different activities and excursions on this list, and sometimes it can be hard to keep up. Our advice is that you throw a copy of this holiday program on your fridge, or a pinboard, or somewhere else that you'll see it every day for a while, and try to make sure your kids are properly dressed (including shoes & socks!) and provided for each day.

### We recommend the following:

- **Socks.** Every day. Even if your child isn't wearing socks, please throw a spare pair in their bag. You'd be surprised how often they need them!
- **Appropriate shoes.** Please check the excursion for each day, and make sure your child is equipped for whatever that day has to offer.
- **A drink bottle.** Having this much fun is thirsty work!
- **Food.** Even on days when lunch is provided; it's better to have too much, than not enough... and please, the healthier the better!

There was a time that these holiday programs were serious, and had actual descriptions of the places we go to. You people ruined that. You have nobody but yourselves to blame. This is why we can't have nice things.
