Welcome

The Hutchins School Sport program provides students with the opportunity to find their passion in sport through participation in a wide range of activities.

With over 25 sports on offer to Middle and Senior School students, the program continually strives to cater for a range of individual student interests, skill levels and experiences. Sports are scaffolded to allow for students to develop, progress and excel in a safe and supportive environment.

In accordance with the School Rules, sport is compulsory for all students from Years 5-12. Students in the Middle and Senior School are required to choose a Summer Sport (Term 1) and a Winter Sport (Terms 2 and 3). Students in Years 7-9 must also choose a Spring Sport (Term 4) with this term being optional for students in Years 10-12.

Participation in the compulsory sport program at Hutchins plays a vital role in encouraging and reinforcing the schools values of kindness, humility, courage and respect.

The Sport program also enables students to:

- have fun;
- represent the School as an individual or as a member of a team;
- experience a variety of activities;
- gain an insight into their abilities in other activities outside the classroom curriculum;
- gain new friendships;
- experience pride in their school;
- bring the benefits of co-curricular success into their classroom learning;
- experience the concept of winning and losing;
- take on leadership roles;
- take on the pastoral care of younger students in coaching;
- foster the relationship between staff and students;
- give to the School community, the benefits of their skill;
- develop lifelong recreational skills;
- develop a tolerance of others;
- foster a healthy lifestyle;
- experience the educational parameters of coaching, including but not limited to fair play;
- exhibit sportsmanship;
- further develop fine motor skills;
- show courage on the sports field;
- gain an insight into their character;
- gain an understanding and appreciation of game skills and strategies; and
- strive for excellence.

Included in this document are the sport options for 2023 with a brief overview of Term 4 Sport Choices. If you have any questions regarding these selections, please do not hesitate to contact the Teacher-in-Charge of an activity or your respective sport co-ordinator.

Thank you for your continued support of The Hutchins School Sport program and we look forward to working with all students and families over the course of the year.
