Welcome

Welcome to another exciting year of sport at The Hutchins School. The Hutchins School Sport program provides students with the opportunity to find their passion in sport through participation in a wide range of activities.

With over 25 sports on offer to Years 7-12 students, the program continually strives to cater for a range of individual student interests, skill levels and experiences. Sports are scaffolded to allow for students to develop, progress and excel in a safe and supportive environment.

In accordance with the School Rules, sport is compulsory for all students from Years 5-12. Students from Years 7-12 are required to choose a Summer Sport (Term 1) and a Winter Sport (Terms 2 and 3). Students in Years 7-9 must also choose a Spring Sport (Term 4) with this term being optional for students in Years 10-12.

Participation in the compulsory sport program at Hutchins plays a vital role in the School's mission of developing men of character who act with kindness, respect, humility and courage.

The Sport program also enables students to:

- have fun;
- represent the School as an individual or as a member of a team;
- experience a variety of activities;
- gain an insight into their abilities in other activities, outside the classroom curriculum;
- gain new friendships;
- experience pride in their school;
- bring the benefits of co-curricular success into their classroom learning;
- experience the concept of winning and losing;
- take on leadership roles;
- take on the pastoral care of younger students in coaching;
- foster the relationship between staff and students;
- give to the School community, the benefits of their skill;
- develop lifelong recreational skills;
- develop a tolerance of others;
- foster a healthy lifestyle;
- experience the educational parameters of coaching, including but not limited to fair play;
- exhibit sportsmanship;
- further develop fine motor skills;
- show courage on the sports field;
- gain an insight into their character;
- gain an understanding and appreciation of game skills and strategies; and
- strive for excellence.

Included in this document are the sport options for 2023 with a brief overview of Term 2 and 3 Sport Choices. If you have any questions regarding these selections, please do not hesitate to contact the Teacher-in-Charge of an activity or your respective sport co-ordinator.

Thank you for your continued support of The Hutchins School Sport program and we look forward to working with all students and families over the course of the year.
