- bullying;
- discrimination;
- harassment;
- unfair treatment; or
- victimisation.

Circumstances do exist in which this procedure does *not* apply, including:

Human Resources	Supports the process, focusing on record keeping and ensuring that each of the requisite steps of this procedure are appropriately followed.

The Hutchins School staff	May receive grievances and/or complaints via informal channels; responsible for redirecting families to the formal process where informal processes fail. Should seek help or advice from their Head of School where required, or where escalation to a formal process seems likely.
Policy and Compliance Manager	Responsible for the development and maintenance of the Complaints and Grievances Policy and its associated procedure. Complaints and Grievances Procedure

INFORMATION FOR STAFF

What do I do if I need to make a complaint, or if I have a grievance?

If you have a complaint regarding a situation, service, facilities, policy, procedure or behaviour within the School, please follow the flowchart entitled 'Staff: lodging a complaint'.

What if I receive a complaint from a parent/carer, student or community member?

Any staff member at The Hutchins School may receive a complaint or grievance. If you receive a complaint or grievance, your first step should be to consider the nature of the issue and the possible risks associated with it. If you feel that a complaint or grievance is beyond your ability to resolve, you should seek help from your supervisor or Head of School. If it is appropriate for you to manage the complaint or grievance, refer to the 'Staff: managing a complaint' flowchart.

Are there complaints and grievances that I should *not* manage myself?

Some complaints and grievances must be referred to specialist staff, or to management. Should you receive a complaint about any of the following, please speak with your Head of School, the Principal or COO immediately:

- allegations of a safeguarding children nature against an employee;
- allegations of corruption or misconduct;
- a risk of harm or significant harm to a child;
- privacy or data breach issues; or
- issues or complaints relating to Children's Services (Pre-Kindergarten/Kindergarten/OSHC), or the National Quality Framework.

Reporting mechanisms have been established to deal with a number of these issues. Where a report involves inappropriate conduct by a staff member, please refer to the [Safeguarding Children Reporting Policy](#) and make use of the [Inappropriate or Reportable Conduct Report Form](#).

Where informal processes have been engaged, but failed to provide resolution, you are required to complete (or encourage the complainant to complete) the [Complaints and Grievances Form](#).

Where a complaint or grievance involves allegations regarding the safeguarding of children, your primary obligation is to report the matter to the appropriate authorities (as per the [Safeguarding Children Reporting Policy](#)). The School also requests that you notify your Head of School, and the Principal immediately, and complete the [Mandatory Report Notification Form](#).

Where a complaint relates to privacy or data breach issues, please contact the School's Privacy Officer at privacyofficer@hutchins.tas.edu.au.

The Complaints and Grievances Procedure

The subsequent pages of this document outline the procedure to be undertaken upon the receipt of a complaint or grievance from a member of The Hutchins School community, including students and their families.

The Complaints and Grievances against the Principal Procedure

Complaints and grievances against the Principal are recorded via the same mechanisms contained in this procedure but are managed through a separate procedure that allows the Chair of the Board to have flexibility in seeking resolution, which may include independent, external investigators or the establishment of a special Committee of the Board (consisting of an additional one or more members of the Board) for the specific purpose of assessing the complaint or grievance.

Complaints and Grievances Procedure

STAFF: MANAGING A COMPLAINT

As a staff member at The Hutchins School, there may be occasions in which you are required to manage a complaint presented to you by a parent/carers, student, staff or community member. Where this is the case, the following procedure applies. At each step in this procedure, it is expected that staff will:

- listen to the complaint;
- acknowledge the issues raised;
- gather as much information as possible;
- communicate your decision, providing reasons;
- implement your outcome actions; and either
- close the complaint, or refer to the next step in the process.

(STEP 1: the informal process)

Most complaints should be resolved at this level, without the need for further escalation. Class teachers, subject teachers and mentors are often in the best position to handle routine concerns about matters relating to their own areas of responsibility. Manage the complaint or grievance at your discretion, being mindful to seek further help (step 2) if required.

(STEP 2: the informal process - further support)

Some complaints may require further support. Where this is the case, your next step is to speak with your supervisor or manager, who will support you through the resolution process and arrange a meeting between the relevant parties. Record keeping may be helpful at this point, particularly if the complaint is recurrent.

(STEP 3: the formal process)

It is The Hutchins School's expectation that relatively few complaints or grievances will require management at the next level. Should resolution prove impossible at the informal level, a complaint or grievance should now progress to the formal resolution process. This process is initiated at the completion of the [Complaints and Grievances Form](#), which may be completed either by the complainant, or by the staff member in receipt of a complaint submitted via alternate means (e.g. email). Completion of the form will escalate the matter to your Head of School and trigger the commencement of formal record keeping. The Head of School should seek to resolve the complaint or grievance according to the same steps outlined above. Specific timelines for initial investigations and resolution apply here – please refer to the policy for more information.

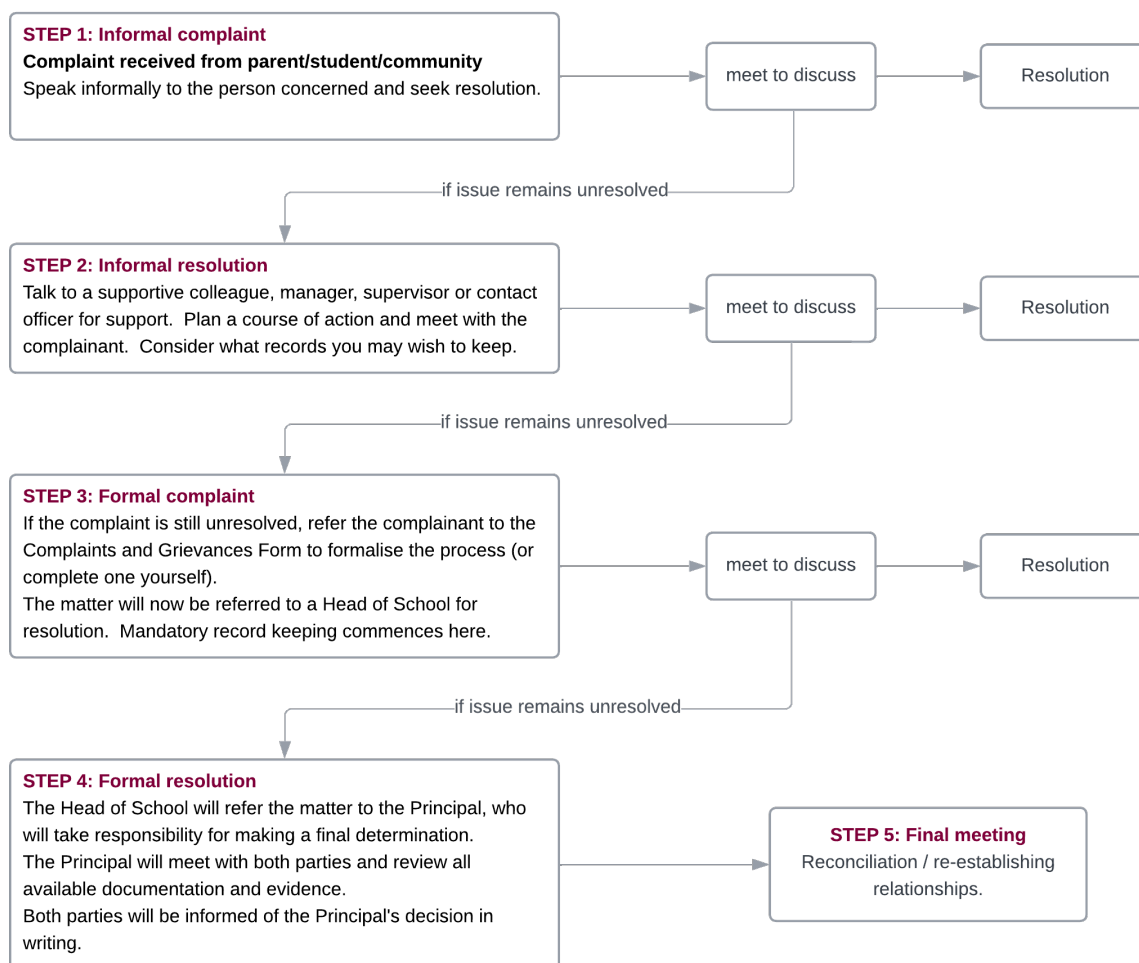

(STEP 4: formal review by the Principal)

This is the final step in the Complaints and Grievance Procedure. Any decisions made by the Principal are final. The Principal will request to meet with both parties to seek a mutually agreed upon resolution. Where agreement cannot be reached, the Principal will collate all the available information and make a determination. Both parties will be informed of the Principal's decision in writing.

INFORMATION FOR STUDENTS

What do I do if I have a complaint or grievance?

If you have a complaint regarding a situation, service, facilities, policy, procedure or behaviour within The Hutchins School, please follow the flowchart enclosed after this information.

What should I expect throughout this process?

The first step of this process requires you to attempt to resolve the complaint or grievance by informal means. Speak with the person involved and try to reach a mutually beneficial outcome. If you cannot resolve the issue at this first step, speak with a staff member, or someone you trust, at the School. They will walk you through the rest of the grievance process. You can expect any of our staff to:

1. Listen to your complaint.
2. Acknowledge the issues you have raised.
3. Gather as much information as possible.
4. Communicate their decision, providing reasons.
5. Implement their outcome actions.
6. Close the complaint or refer to the next step in the process.

If at any point you feel that the staff member assigned to the resolution of your grievance or complaint is not an appropriate person, you have the right to request that another staff member manage the process.

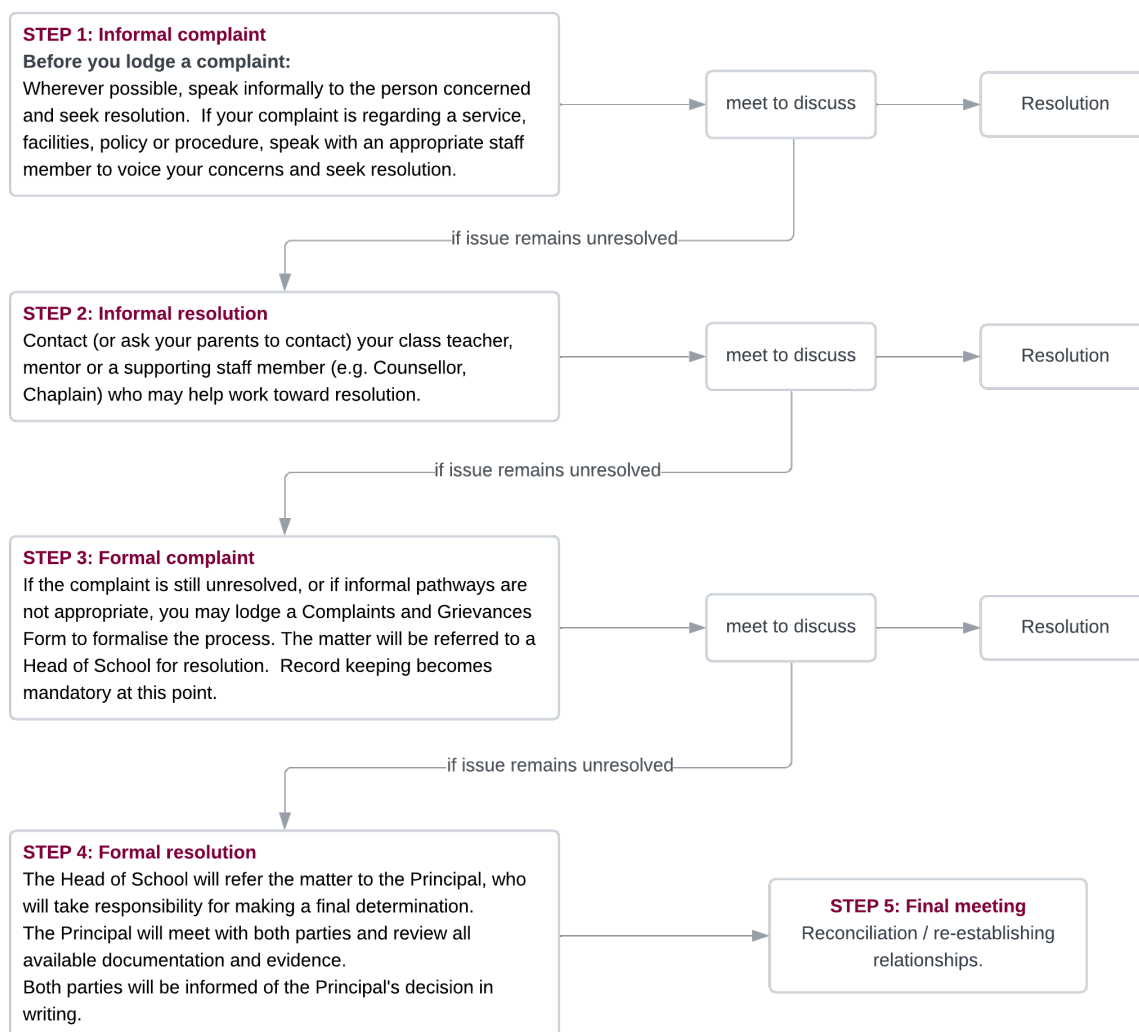

What is expected of me throughout this process?

The School expects that you will continue to maintain your enrolment and attendance throughout the complaints and appeals process.

INFORMATION FOR PARENTS, CARERS AND THE SCHOOL COMMUNITY

What do I do if I need to make a complaint?

If you have a complaint regarding a situation, service, facilities, policy, procedure or behaviour within the School, please follow the flowchart on the following page.

What should I expect throughout this process?

At each step of the Complaints and Grievances process, it is expected that the managing staff member will adhere to the following process:

1. Listen to your complaint.
2. Acknowledge the issues you have raised.
3. Gather as much information as possible.
4. Communicate their decision, providing reasons to you.
5. Implement their outcome actions.
6. Close the complaint or refer to the next step in the process.

Specific timelines for initial investigations and resolution apply. Please refer to the policy for more information.

(STEP 1: the informal process)

The Hutchins School requests that the first step in this process is an attempt at informal resolution. Please follow the flowchart (attached) to ensure that your complaint or grievance is directed to the appropriate member of staff.

(STEP 2: further support)

Some complaints may require further support. Where this is the case, your next step is to speak with a senior staff member (e.g. Assistant Head of School).

(STEP 2: the informal process - further support)

It is The Hutchins School's expectation that relatively few complaints or grievances will require management at the next level. Should resolution prove impossible at the informal level, a complaint or grievance should now progress to the formal resolution process. Should you wish to file a formal complaint or grievance, you will need to complete the [Complaints and Grievances Form](#), which is available online. Completion of the form will escalate the matter to your Head of School and trigger the commencement of formal record keeping.

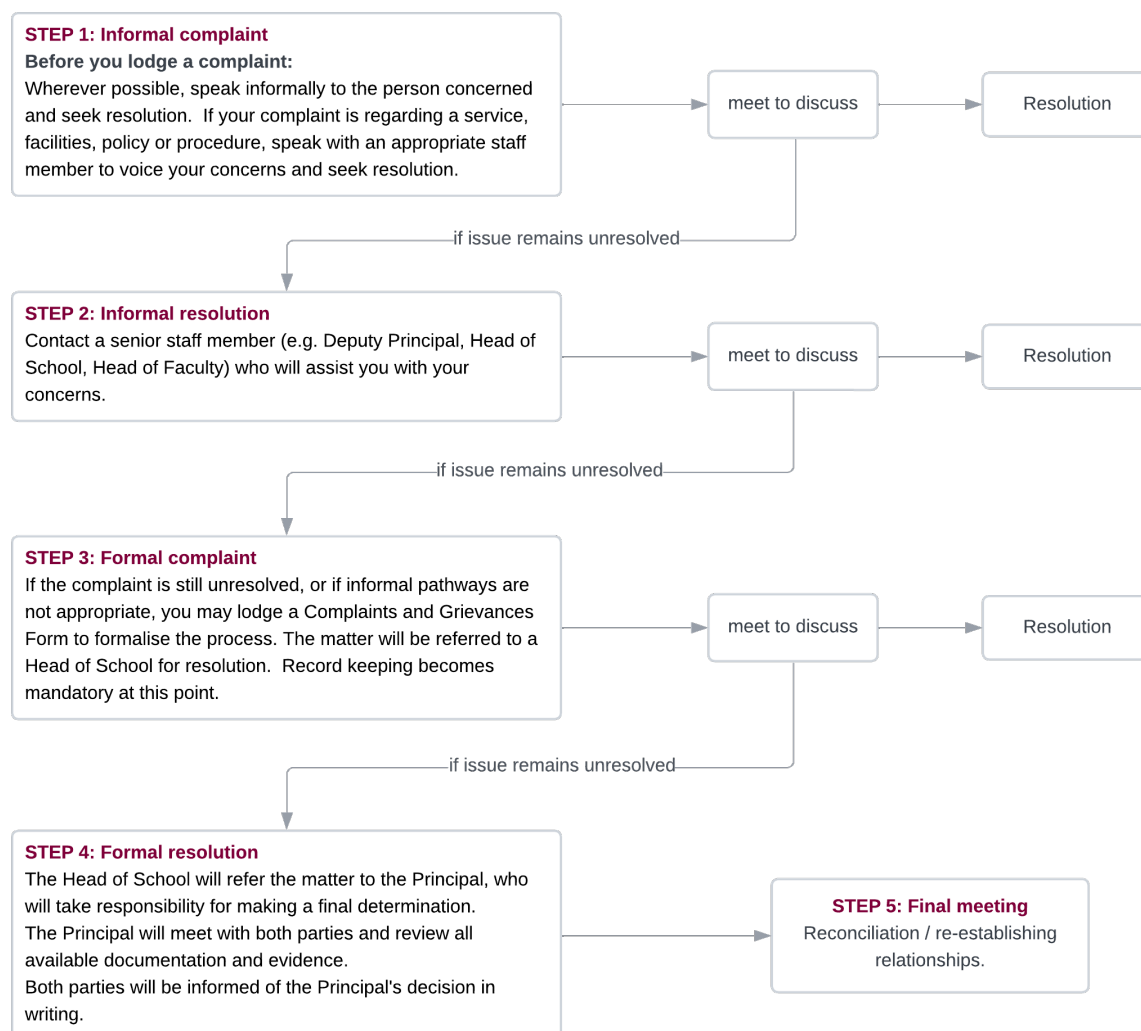

(STEP 4: formal review by the Principal)

This is the final step in the Complaints and Grievance Procedure. Any decisions made by the Principal are final. The Principal will collate all of the available information and make a determination.

FREQUENTLY ASKED QUESTIONS

What do I do if my complaint or grievance is not resolved by these processes?

If matters still remain unresolved, parties have the right to seek arbitration through the courts, an ombudsman, or other legal channels. These processes may entail a financial cost.

What if my complaint or grievance is against the Principal?

Complaints and grievances against the Principal are managed via the same mechanisms outlined in this procedure, with some important distinctions. It is important that an attempt at formal resolution is made. Where no resolution can be reached, complainants have the right to proceed to a formal process. In such instances, it is not appropriate for the Principal to manage the complaint.

Formal complaints made against the Principal are directed to the Chairman of the Board for resolution. This process is still managed through the [Complaints and Grievances Form](#); however, neither the complaint nor any additional details provided with the complaint will be provided to or accessible by the Principal. Simply ensure that you select 'complaint against Principal' from the drop-down box, and your complaint will be directed accordingly.

I am an international student. Does this process apply to me?

Yes! There are, however, additional options available to you should these processes not resolve your complaint. These are detailed in the [Complaints and Appeals Procedure – International Students](#) document, which has been made available to you both online and in your initial induction. Should you wish to take the matter further, it is recommended that any additional appeals are lodged within two weeks of the completion of the complaints and grievances procedure. Should you wish to lodge an external appeal, you may contact the Overseas Students Ombudsman at no cost. The Overseas Students Ombudsman offers a free and independent service, and may be contacted either via the web site (www.oso.gov.au), or by phoning 1300 362 072.

If you are concerned about the actions of the School, you may approach the chief executive of the Department of Education, Training and Employment. Concerns or complaints about the conduct of a registered provider should be addressed in writing to:

Complaints and Grievances Procedure

INFORMATION FOR MANAGERS AND SUPERVISORS

What do I do if I need to make a complaint, or if I have a grievance?

If you have a complaint regarding a situation, service, facilities, policy, procedure or behaviour within the School, please follow the flowchart entitled 'Staff: lodging a complaint'. If you need to lodge a formal complaint, the [Complaints and Grievances Form](#) will allow you to select the appropriate staff member to manage the process.

What if I receive a complaint from a parent/carer, student or community member?

Where a complaint comes directly to you, you are free to manage the process according to the steps laid out in this document. As with any other staff, upon receipt of a complaint or grievance, your first step should be to consider the nature of the issue and the possible risks associated with it. If you feel that a complaint or grievance is beyond your ability to resolve, you may seek assistance from Human Resources.

What if I receive a complaint from a staff member, or am asked to manage staff conflict?

Conflict between staff should be managed according to the processes laid out in this document. Please refer to the flowchart (attached) and commence the informal process. If your management leads to a disciplinary process, please refer to the [Discipline and Performance Management Procedure](#) for further information. Should you require support with this process, please contact Human Resources.

Are there complaints and grievances that I should *not* manage myself?

As a manager or supervisor, you should be equipped to manage most complaints at both informal and formal levels. Some complaints and grievances, however, require you to adhere to the School's established processes. Should you receive a complaint about any of the following, please inform the Principal or COO immediately:

- allegations of a safeguarding children nature against an employee;
- allegations of corruption or misconduct;
- a risk of harm or significant harm to a child; or
- privacy or data breach issues.

Reporting mechanisms have been established to deal with a number of these issues. Where a report involves inappropriate conduct by a staff member, but does not necessarily require an investigation or intervention beyond your own management, please use the [Inappropriate or Reportable Conduct Notification Form](#).

Where informal processes have been engaged, but failed to provide resolution, you are required to complete (or encourage the complainant to complete) the [Complaints and Grievances Form](#).

Where a complaint or grievance involves allegations regarding the safeguarding of children, your primary obligation is to report the matter to the appropriate authorities (as per the [Safeguarding Children Reporting Policy](#)). The School also requests that you notify the Principal immediately, and complete the [Mandatory Report Notification Form](#). Where a complaint relates to privacy or data breach issues, please contact the School's Privacy Officer at privacyofficer@hutchins.tas.edu.au.

Complaints and Grievances Procedure

MANAGERS AND SUPERVISORS: MANAGING A COMPLAINT

As a manager or supervisor at The Hutchins School, there may be occasions in which you are required to manage a complaint presented to you by a parent, student, staff or community member. Where this is the case, the following procedure applies. Being familiar with the Complaints and Grievances Policy is vital.

(STEP 1: the informal process)

Most complaints should be resolved at this level, without the need for further escalation. The School believes that class teachers, subject teachers and mentors are often in the best position to handle routine concerns about matters relating to their own areas of responsibility. Where a complaint has been either escalated to you, or brought to you directly, you may manage the complaint or grievance at your discretion, being mindful to seek further help (step 2) if required.

(STEP 2: the informal process - further support)

Some complaints may require further support. As a manager or supervisor, it is likely that this may be your entry point into the complaints and grievances process, as a case is referred to you by a staff member who has already attempted an informal resolution. Where this has not occurred, you are expected to encourage staff to attempt to resolve the complaint or grievance themselves at an informal level, and to provide support to that member of staff in doing so.

Should a complaint come to you after an informal process has failed to reach a resolution, you should arrange a meeting between the relevant parties. Record keeping may be helpful at this point, particularly if the complaint is part of a longer-term issue. You may wish to flag this process with Human Resources at this point.

Where a complaint relates to a staff member, and you are in contact with that person through either 1:1 conversations or through the probation process, this would be an ideal time to discuss these matters. Records are advisable at this point, but may be as simple as an email acknowledgement of the conversation, and a subsequent agreement for improvement. The probation documents provided by Human Resources for the 6-week and 5-month intervals may also be used. For further help or advice, please contact Human Resources at humanresources@hutchins.tas.edu.au.

(STEP 3: the formal process)

It is the School's expectation that relatively few complaints or grievances will require management at the next level. Should resolution prove impossible at the informal level, a complaint or grievance should now progress to the formal resolution process. This process is initiated at the completion of the [Complaints and Grievances Form](#), which may be completed either by the complainant, or by you, as the manager of this process. Completion of the form will notify the Principal, Human Resources and the Policy and Compliance Manager, and trigger the commencement of formal record keeping.

When a formal complaint or grievance is received (whether via the Form or other means), the staff member tasked with conducting the resolution process must contact the complainant to confirm receipt of the complaint or grievance within 2 business days.

This staff member must then conduct an initial engagement and assessment process including the following steps within 10 business days:

1. inform all parties of the procedures to be followed, and provide copies of the policies, procedures and guidelines considered relevant;
2. explain to the complainant that the requirements of procedural fairness may mean that their identity may be disclosed to the respondent;
3. provide the respondent with a summary of the allegation(s) made against them; and
4. provide the respondent with time and an opportunity to formally respond to the allegation(s) and provide an explanation for the alleged conduct.

Outside of these requirements, the complaints or grievances resolution process follows the same four step process outlined below.

(STEP 4: formal review by the Principal)

This is the final step in the Complaints and Grievance Procedure. Any decisions made by the Principal are final. The Principal will request to meet with both parties to seek a mutually agreed upon resolution. Where agreement cannot be reached, the Principal will collate all the available information and make a determination. Both parties will be informed of the Principal's decision in writing.
