Business Arrangements

By signing the Enrolment Form parents/carers agree:

1. That enrolment is subject to the School's acceptance of the enrolment and offer of a place in the School.
2. To pay all Tax Invoices for tuition fees issued by the School by the due date. Tax Invoices for tuition fees for Prep to Year 12 tuition fees are issued in advance and are due and payable by the first day of term unless other arrangements have been made (for example monthly direct debit). All other Tax Invoices for school-related fees and charges are due and payable immediately. Payments made by credit card will incur a surcharge when paying in person. The surcharge does not apply to direct debits.
3. To enter into a direct debit arrangement with the School for the payment of tuition fees for Pre- Kindergarten, Kindergarten and Outside School Hours Care. Statements are issued fortnightly and direct debit payments are processed in arrears. Parents/carers may access Child Care Subsidy (CCS) from the government for these services.
4. That interest will be paid on any overdue amounts owing to the School (including tuition fees, charges and interest) calculated at the ANZ Indicator Lending Rate, as varied, from the due date until the date of payment in full of those overdue amounts.
5. That non-payment of Tax Invoices may result in the account being lodged with a debt collection agency and all fees and charges incurred as a result of this lodgement will be charged to the account holder.
6. To pay an Enrolment Fee and Hutchins School Old Boys' Association Lifetime Membership Fee before the commencement of schooling as specified in the School's Offer of a Place letter (excluding Pre-Kindergarten and Kindergarten). The Enrolment Fee is payable for each child in the family but will be reduced to 50% of the current fee for the third and subsequent children of any one family. The Enrolment Fee is non-refundable even where the place is not taken up.
7. To give at least one term's written notice of withdrawal of a student from the School. Notice must be given by the 1st day of Term 1 or withdrawal at the end of that term. If this period of notice is not given, the remaining balance of the current term plus half of the tuition fees for the following term is due and calculated at the level at which the student is currently enrolled.
8. To immediately notify the School in writing of any serious illness, concussion or disability suffered or developed by the student.
9. To be bound by the School Rules as amended from time to time.
