

## Leap into Learning Term 4

This term in Leap into Learning we are diving into the magical world of nursery rhymes! Alongside our open-ended play spaces and creative crafts, each week will be filled with fun, play-based activities that bring classic rhymes to life. Singing together not only sparks joy and connection, but also helps build strong foundations for early literacy through rhythm, repetition and play. We encourage you to sing along at home before each week to keep the magic alive!

Monday 20 October	<b>Welcome back to Leap into Learning!</b> Today we will make fish out of paper plates and have fun with craft. Our rhyme for today will be Once I Caught a Fish Alive!
Monday 27 October	<b>Car Process Art</b> Join us to play with paint and cars! We will create some prints and play in our open play spaces. We will be singing Wheels on the Bus!
Monday 3 November	<b>Let's Cook Up a Storm!</b> Join us to bake cupcakes for morning tea and sing Pat a Cake. We can't wait to share morning tea with you!
Monday 10 November	<b>Bring Your Green Thumbs today!</b> We will be planting parsley and coriander seeds to take home. Whilst we plant our seeds, we will be singing Mary, Mary Quite Contrary.
Monday 17 November	<b>Craft Making</b> Let's make bunny ears and sing Sleeping Bunnies!
Monday 24 November	<b>Bush Play</b> Join us for play in the Junior School bush play space. We can't wait to sing Kookaburra Sits in the Old Gum Tree with you! Will we see a kookaburra?
Monday 1 December	<b>Join us for Christmas Craft!</b> This will be the final Leap into Learning for the year. Let's make some Christmas craft together to take home.  Thank you for joining us for Leap into Learning!
