1. Purpose

This policy affirms the commitment of The Hutchins School to work health and safety.

2. Scope

This policy is applicable to all workers, students and visitors to our School.

3. Objectives

The Hutchins School is committed to achieving the highest attainable standards of work health and safety (WHS) for its workers, students, and visitors. To achieve this, the school requires its workers, students, and visitors to work in a co-operative and consultative manner.

4. Definitions

Person Conducting a Business or Undertaking (PCBU)¹

A ‘person’ is defined in laws dealing with interpretation of legislation to include a body corporate (company), unincorporated body or association and a partnership.

An individual is also a ‘person’, but will only be a PCBU where that individual is conducting the business in their own right (as a sole trader or self-employed person). Individuals who are in a partnership that is conducting a business will individually and collectively be a PCBU.

Section 5 (4) of the WHS Act makes it clear that an individual is not a PCBU if they are involved in the business or undertaking only as a worker or officer of the business or undertaking.

The Crown is also a person for the purposes of the WHS Act. The Crown may conduct a business or undertaking through its departments and statutory agencies.

With regards to our School, The Hutchins School is the PCBU.

A person is a **worker** if the person carries out work in any capacity for a person conducting a business or undertaking, including work as: an employee; or a contractor or subcontractor; or an employee of a contractor or subcontractor; or an employee of a labour hire company who has been assigned to work in the person's business or undertaking; or an outworker; or an apprentice or trainee; or a student gaining work experience; or a volunteer; or a person of a prescribed class.
